

## **SHACKLES**

**Take the shackles off my feet so I can dance  
I just want to praise you  
I just want to praise you**

**You broke the chains now I can lift my hands  
And I'm gonna praise you  
I'm gonna praise you**

In the corners of my mind  
I just can't seem to find the reason to believe  
That I can break free  
and you see **(I can break free)**

I have been down for so long  
Feel like the hope is gone **(oh my hope is gone)**  
But as I lift my hands, I understand  
That I should praise you through my circumstance

**Take the shackles off my feet so I can dance** (oh I can dance)

**I just want to praise you** (woo-hoo-hoo-hoo)

**I just want to praise you** (praise you)

**You broke the chains now I can lift my hands**

**And I'm gonna praise you**

**I'm gonna praise you**

Everything that could go wrong  
All went wrong at one time  
So much pressure fell on me  
I thought I was gon' lose my mind **(I lose my mind)**  
But I know you want to see  
If I will hold **on through these trials**

But I need you to lift this load  
Cause I can't take it no more

**Take the shackles off my feet so I can dance** (so I can dance)

**I just want to praise you** (I'm gonna)

**I just want to praise you** (I'm gonna praise you yeah)

**You broke the chains now I can lift my hands** (I can lift my hands)

**And I'm gonna praise you** (woo-hoo-hoo-hoo-hoo)

**and I'm gonna praise you**

Been through the fire and the rain

Bound in every kind of way

But God has broken every chain

So let me go right now

**Take the shackles off my feet so I can dance** (so I can dance)

**I just want to praise you** (just wanna)

**I just want to praise you** (just wanna praise)

**You broke the chains now I can lift my hands** (I can lift my hands)

**And I'm gonna praise you** (praise you, praise you)

**I'm gonna praise you** (praise you)

**Take the shackles off my feet so I can dance** (oh I just wanna)

**I just want to praise you** (oh I just wanna)

**I just want to praise you** (yeah, yeah)

**You broke the chains now I can lift my hands** (I can lift my hands)

**And I'm gonna praise you** (praise you)

**I'm gonna praise you** (praise you, praise you)
